LabelManager™ 260P

Portable and Rechargeable Label Maker

260P

Uninterrupted labelling power wherever you need it.

DYMO® LabelManager™ 260P label maker eliminates the inconvenience of AA batteries - Charge-and-go, unlike an AC adapter, labelling power whenever you need it. The sleek new design is perfect for any office or workspace. And it's packed with new features - inspired by consumers - that help you get the results you want with more ease and convenience.

LabelManager™ 260P Features :

- 1 Large 30mm x 60mm screen displays two lines of label text
- 2 Graphical display lets you see text effects on screen before you print
- 3 Work faster with an improved user interface that displays all menu items without scrolling, and includes intuitive icons for formatting options
- 4 Customise labels and add emphasis by choosing from 3 fonts, 6 font sizes, 7 text styles, and 8 different box styles or underline
- 5 Powered by a rechargeable lithium-ion battery - the same technology used in mobile phones and laptops. Eliminates AA battery inconvenience, expense and disposal
- 6 9-label memory and "save text" feature
- 7 Print up to 10 copies of the same label
- 8 Quick access to special symbols including punctuation, diacritical and currency

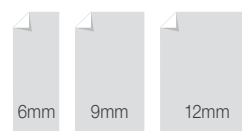

Fast and Easy

D1 Labels

Standard, Permanent or Flexible... no labels are more durable.

Standard polyester labels for hundreds of tasks around the office or home office, such as filing, storage, asset management, and reminders. Available in continuous label cassettes, you can create sharp, easy-to-read labels of just about any length.

Permanent polyester labels look the same as a standard tapes but offers a powerful permanent adhesive for when you want a label to stay put indefinitely.

Flexible nylon labels are for curved and/or heavily textured surfaces and flag marking cables. Its permanent adhesive means it will stay put.

Easy Peel

UV Resistant
